

Dear Peabody Citizens,

In order to fund the City Park Playground Equipment in Peabody on a continual basis, we are asking for your assistance. We would like to ensure that money is available to purchase safe playground equipment, update and maintain existing playground equipment, and provide a long-term fund to ensure monies for additional playground equipment is available for our future generation.

Attached below is a form where you can authorize \$1, \$2, \$3 or any amount you desire to be included on your on your monthly water bill. If a number of people will take this opportunity to contribute to this worthwhile project, it can become a self-perpetuating fund, but we need **you** to help us. We hope this will be the backbone of funding on a **long-term** basis for our Park Playground Equipment. Won't you please help us ensure the safety and enjoyment of our Park Playground equipment for our children now and for future generations? Please fill out the form at the bottom of the page and return it with your water bill or drop it off at the Peabody City Office.

Thank you for your support and consideration of this wonderful endeavor.
