

DANGEROUS & UNFIT STRUCTURE PETITION FOR INSPECTION

INSTRUCTIONS

- Please use this form to provide at least five (5) signatures from residents of the City of Peabody that wish to initiate an investigation into a structure that may be deemed unfit for human use or habitation.
- This petition may also be used for grounds, yards, or lots that have accumulated junk, trash, or are of unsightly appearance to the extent of being a public nuisance and eyesore and dangerous to the health and welfare of the residents of Peabody.
- Completing this petition does not guarantee that the property will be abated. This petition can initiate an investigation by the Health & Safety Officer. Any further actions will be at the discretion of the Peabody City Council.
- All petition signatures must be accompanied by a printed name and phone number.
Anonymous petition signatures are not acceptable.
